Donations accepted for the St. Luke's Bethlehem Nurse-Family Partnership

Donations from this event will be used by the St. Luke's Bethlehem NFP to buy breastfeeding supplies for moms who are struggling with breastfeeding, and/or who have anatomical anomalies that prevent successful breastfeeding. **Nurse-Family Partnership** empowers first-time moms to transform their lives and create better futures for themselves and their babies. Over more than four decades, research consistently has proven that Nurse-Family Partnership succeeds at its most important goals: keeping children healthy and safe, and improving the lives of moms and babies."
