28 ALFRED PLACE,

S.W.7.

The promoters of the Society are ex-Governors of Indian Provinces, intimately acquainted with Indian conditions, and with all sections of the vast populations for whose welfare the British people have become responsible. Already support has been promised by many eminent people, variously interested in the maintenance of British rule in India; leading Members of both Houses of Parliament; distinguished Indian administrators; Indian gentlemen of position; and prominent business men directly concerned in Indian commerce and industry.

It will be the duty of the Society to support all measures that make for peace, order, and progress in the Indian sub-continent, reserving to itself at the same time the right, should occasion arise, to oppose any measure which appears to endanger the fulfilment of primary obligations.

A great increase of membership is earnestly desired. All who attend this Meeting are cordially invited to join. The rate of Subscription is: with literature, £1-0-0; without literature, 10s. per annum.

Application for membership should be made on the form printed overleaf.
